

## HIGHLANDS R US – VOX POPS

Passers-by to the Highlands R Us event were asked their views on Highland diversity and about the event in general. Here are some of the responses.

### Highland Diversity

Good that everyone is individual  
We should welcome all cultures  
Good to encourage  
Good for economy  
All for it  
Bullying should stop!  
Everybody should be treated the same  
I love diversity I do  
Feel laid back in Highlands  
Settled into Highland culture  
Difficult but nice to work when from  
different country  
Inverness is very nice

**Inverness feels  
really  
cosmopolitan  
today – up there  
with other world  
cities**

### Highlands R Us
